

FTC Global Volunteer Slack Communities

For Post High School (18+) Volunteers across global regions to:

- Network
- Share best practices
- Stay updated with system updates and
- Collaborate with Global Key Volunteers and HQ Staff

There is no guaranteed real-time support and is not a substitute for official Q&A, but we do hope most volunteers can crowd source support in a timely manner.

Feel free to join all the slack groups, but keep in mind the primary purpose is for volunteers who belong to those communities.
